

Tell me about yourself...

Name: _____

What do you want to be called in class?

Previous Math Teacher/Grade Received: _____

What motivates you to succeed?

Take a look around the class. Who would you work best with? (When I say this, I am meaning who would you be most productive with?)

Who would you not work well with?

How do you learn best? (Taking notes/lectures, group work, individual work, etc.)

If you could pick your seat in the classroom, where would you sit? (i.e., close to the board because its hard for you to see, near a window, by the Kleenex, etc.)

Where do you see yourself in 10 years?

Three words that describe you are:

Write down one goal you have for this semester:
